

**SAVANNA SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

CAROL SUNDMAN

OCCUPATION: Governing Board Member, Savanna School District

As a current Board member, I am committed to uphold the high standards that the district has established and to help promote new and innovative ways to help children of all learning abilities accomplish their potential for success.

My husband and I have been residents of the district since 1957. Our four children attended our local public schools. Although I am now retired, my twenty years as a Savanna District employee have helped me more fully understand the issues and challenges facing our public schools.

I support strong emphasis on the core subjects, as well as instruction in fine arts, technology, physical education, health and science. I also support continued class size reduction, child care, and increased parental involvement. Learning should take place in a safe and accepting environment that stresses high moral and ethical standards.

My community service has been in PTA, Little League, Cub Scouts, Girl Scouts, Band Boosters, and church leadership. I received the Honorary Service Award from Holder and Reid PTAs, and the El Dorado Oeste Council Continuing Service Award.

With your support on election day, we will continue to provide quality education for the children of our district. Endorsed by Teachers Association.
